

From the **Navigation Bar**, click on the **Frog head**.

From here you can change your password that you use to log into Frog Play.

### Stage 1: Where to change your password

- From the Navigation Bar, Click on the Frog head and then select 'Change Password'.

**NOTE:** This may not be available to all schools if using Frog Play within Frog Learn.

### Stage 2: editing your password

A screenshot of the 'Change Your Password' form. The form has three input fields: 'Enter your current password:', 'Enter a new password:', and 'Confirm new password:'. Below the fields is a blue 'Save Password' button. Below the form is a green success message box that says 'Success Your password has been changed!'.

- In the text box, type in your old password, your new password and then type in your new one again to confirm it.

**NOTE:** Your password is case sensitive.

- Once you have typed your new password, click 'Save Password' to save it.
- You will receive a notification that you have changed your password.

**NOTE:** If you forget your password, your teacher will be able to help reset your password to help you log in again.
